Mr. Harry L. Edson,
97 Broadway,
Kingston, New York

Dear Mr. Edson:

I have just received your letter, asking me about the possibilities of the Newark Eagles playing in Kingston.

I appreciate the invitation, and assure you if it is possible I will be glad to bring the Eagles to your City. We have a really fine ball club, and are happy to let the fans all see them in action.

Were you asking us to play a local team, or were you asking for two Negro League teams to come up? The first thing I would have to know would be what dates are available. If we could work the game into our schedule we would be glad to do so, if satisfactory terms are arrived at.

Please send me available dates immediately.

Very truly yours,

Erna Manley
